From: Sherie Carroll

Re: New East Coast Contribution Rate Effective March 25, 2018

---

Currently, contributions for Employees working under an East Coast Agreement with Local 600, Local 700, Local 52, Local 161 or Local 817 (Location Managers/Scouts), or any Agreement that contains rates that are based upon the hourly cost of benefits per Participant, are due at the composite rate of \$14.448 per hour, in addition to applicable Individual Account Plan percentage contributions.

Pursuant to the terms of the MPI Trust Agreements, and based on an actuarial evaluation, MPI's Board of Directors have determined that the contribution rate to the Pension Plan shall be adjusted as follows:

Pension Plan: from \$4.073 to \$4.413 per hour

The hourly contribution rate to the Active and Retiree Health Plans will remain as follows:

Active Health: \$8.415 per hour  
Retiree Health: \$1.960 per hour

**Effective March 25, 2018, the new total composite rate will be \$14.788 per hour.**

A new Rate Group 43 Contribution Reporting Form may be downloaded from MPI's website at [www.mpiphp.org](http://www.mpiphp.org). Please do not submit reports with the new rates for hours worked prior to March 25, 2018.

Please note that the above rates do not apply to Employers who have made Supplemental Markets payments in excess of \$15,000,000 over a three-year period. This rate change does not apply to these Employers or their related entities.
